Church News for Trinity Sunday 7th June

All Public Services in Church on Hold Until Further Notice

In light of the Government guidance around non-essential contact, the Archbishops of Canterbury and York have issued a statement that church worship is suspended until further notice. All our church buildings are now closed.

This does not mean however that we stop being church - The Eucharist will still be celebrated each Sunday. Wednesday along with Morning Prayer, Midday Prayer, and Compline which are prayed daily on behalf of the whole Benefice to be done without a congregation present.

And so we now have 'Phone Church'

To join in simply call 03300 945 940

Phone Church is working well, but please remember it is live and unless you mute the microphone on your phone everything that is happening at your end of the line. We are still learning how to best use this system and whilst responses are working well, communal singing is causing problems - so for the moment please just listen to the music as it plays along.

For the liturgy/service booklet please follow the link for the relevant service.

As above to join in simply call 03300 945 940
then at the prompt Room number: 55017514 #
and use Guest PIN: 3885 #

If you would like help with Zoom please contact Rev'd Chris who will be hosting a [Zoom Coffee n Chat](#) especially for those before at 16:00 on Wednesday 10th June

Local Help, Support,& Projects

Newton-le-Willows Covid Mutual Aid Group was set up on the 17th March by four members of the resilience team under functions under the North Yorkshire Local Resilience Forum and its Leyburn and District CSO Hub. It is also affiliated Aid: <https://www.facebook.com/groups/2819070311505575/>

People from various Christian denominations and none are working together. 37 members of a WhatsApp group connect people in need of supplies, collecting prescriptions, other services and information. An industrious group has been making other protective equipment for which the NHS has expressed gratitude. Aysgarth School has used our volunteers to provide 'meals on wheels' lunches to a few 'shielded' residents.

Leyburn Community Hub

The District covers 27 Parishes (in the local council meaning of parish not the Church meaning of parish) which include Middleham Town and Carlton Town. Each Parish has a Parish Support Group of volunteers which are organised by a Coordinator. The people in the Parishes are asked to request support from family, friends, neighbours etc first but the Coordinator. If the Parish Coordinator can't deal with a problem such as mental health, laundry, severe sickness, hospital contact the Hub. The Hub has 8 trained volunteers on duty in 2 shifts per day 7 days per week.

As the organisation is based on Parishes who understand their geographic boundaries etc there is a structure, administrator, Clerk and a Coordinator for every town, village and hamlet in our area. Our plan is that when this is all over we leave a blue print that can be set up again quickly if needed.

Leyburn is a little different because we only had a week to set up the whole area and Leyburn Town Council didn't have. Thankfully your Good Neighbours organisation was already in place to which we added Charlotte Smith with a group for medication.

Just as a matter of interest in addition to the Parish Support Groups we also organised 6 village shops and 4 pop up shops to solve the difficult food situation.

Did you know that this week is Volunteers Week?

We have so many in our community who volunteer and we would love to share your stories!

Linda and Fr Philip have been asked to provide photos of our thanks for the St John Ambulance volunteers who have ambulances and caring in the local hospitals and GP surgeries.

Churchyards and Biodiversity

From Lisle Ryder,

Environment Representative for St Patrick's Church

Churchyards across the country, usually free of pesticides and artificial fertilisers, are havens offering habitats for dec could be too. Perhaps they are, but where the grass is kept short we may not really know.

One of the five marks of mission is 'To strive to safeguard the integrity of creation, and sustain and renew the life of th practice is part of our Christian witness to those around us. Such is the context for drawing your attention to the stew: churchyards.

The charity Caring for God's Acre has been encouraging this aspect of mission and at St

Patrick's we are exploring how some of their ideas might churchyard. If we begin by letting the grass grow, cutting it just twice this year, we may come to see what God is read concealed in the turf.

We may then go on to work with God to encourage bees and other pollinating insects with nectar rich flowers comple with their blossom. To take things further we could add bird boxes and bug hotels.

While the Rector's sheep reduce the grass in part of the Churchyard, less mowing has a further environmental benefi use besides costing less.

It is likely that this project will only work effectively if the village and the congregation join in with observations and ide duty of caring for creation. Our hope is that our churchyards grow to be a showcase for the rich diversity of what God

With our churches closed we still have the opportunity to spend time in solitary prayer and wonder in God's acre.

Liberia News

Simon and Grace Stretton-Downes

Simon is a dentist leading a team at a clinic at the Eternal Love Winning All (ELWA) Hospital in Monrovia. Grace is a Simon as well as seeking God's direction for her role in the mission field. The couple are sent by St Gregory's Church working for Serving In Mission (SIM)

Rosemary Gaven is our local contact and keeps us update with the news they send.

The receptionist who stole funds from the Clinic sent a letter of resignation on 25th May citing family reasons before the post went up the next day for a new receptionist/cashier. Simon led a Bible study on work ethics and some practical the staff to do/not do in order to avoid any further financial irregularities. The discussions went well and the closing replacement receptionist closed last Friday. They are praying for a trustworthy person to be appointed.

Last week Grace did a painting session with 5 year old Jacob and a sewing project with his sister Esther and this helped with the other children and a bit of creativity for them all and it was a lot of fun. They have three home school families a creative slot away from their home to help out these Mums. In the Hospital Grace continues to listen to the needs of malnourished under 5's about 3 to 4 times a week. They have tremendous needs and she says it is such a privilege is trying to help them think about small economies they can make like teaching them how to cut a polythene bag to make a cover or encouraging them with feeding their child on the appropriate feeding programme. She is praying with them to make some friendships and give them some hope.

The Dental Staff decided to start relaxing their Emergencies Only policy and last Monday the denture department re-opened. Numbers remain high, around 35 each workday and last Friday it was 52! The UK Dental practices will be opening so taking part in online webinars for the UK dentists preparing for this. He has found it has been helpful to hear what is happening and he is trying to adapt the advice for use there.

They have had quite a bit of socially distanced hospitality during the last two weeks. Today they said farewell to good returning there as it is the end of their assignment. Missing friends as they move on is hard, some have become like are so grateful to those who pray and ask me to convey their grateful thanks to you all.

And Finally

From Rev'd Chris

These last two weeks have been hard. Lockdown has been a long experience, the pace of the news can be exhausting different from what we have become so accustomed to. Added to all the Covid angst this week we have also seen sparked by the death of George Floyd. It is all too easy to be overcome by fear. This week I heard the pain in a mother reflected on how her 14-year-old daughter had asked for 18 hugs in a day. When asked why the young lady simply added to all this I finally gave in and have asked for help as I have not fully recovered from my own experience of illness. Period. And so this week I am going to remind myself each day that as an Easter people we are a people of Hope. I send in by post, email, WhatsApp, carrier Pigeon, personal stories of hope, the hope you see in the Gospel and the hope in the communities so that we can all start to turn this time of darkness to one of light. None of us can yet see what the new but we can start to dream how we might join in with building God's Kingdom, here in Earth as it is in Heaven.

A Prayer for the Christian Community

We are not people of fear:

we are people of courage.

We are not people who protect our own safety:

we are people who protect our neighbours' safety.

We are not people of greed:

we are people of generosity.

We are God's people,

giving and loving,

wherever we are,

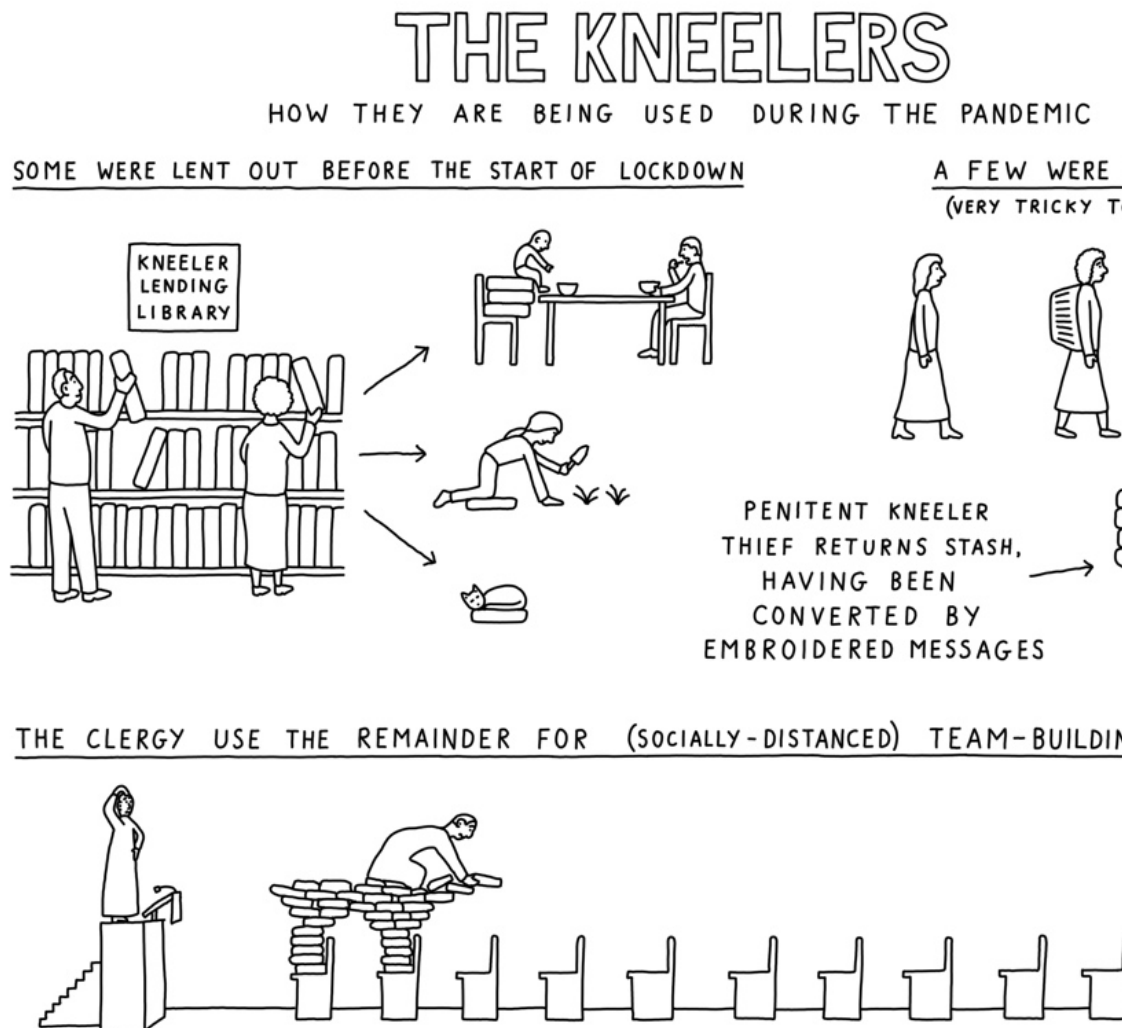

whatever it costs,

for as long as it takes,

wherever God calls us – in Jesus name. Amen.

Based on a prayer by Barbara Glasson, President of the Methodist Conference

P.s. carrier pigeons might not be the best idea as we have Springer Spaniels!
