PhoneChurch is working well, but please remember it is live and unless you mute the microphone on your end everyone can hear anything that is happening at your end of the line. We are still learning how to best use the system and whilst responses during the service are working well, communal singing is causing problems at the moment please just listen to the music as it plays rather than singing along.

For the liturgy/service booklet please follow the link for the relevant service.

As above to join in simply call 03300 945 940

Come and join us on Zoom for a time of Lectures and Prayers
Divina

Tuesday afternoons at 16:00

Lectio Divina is a contemplative way of reading the Bible. It dates back to the early centuries of the Christian Church and is a way of praying the scriptures that leads us further into God's word. It is listening with the 'ear' of the heart that allows scripture to speak to us in new ways while also deepening our relationship with the Living God.

Wensleydale Tournament of Song Returns

Following a two year break, we are very pleased to announce that The Wensleydale Tournament of Song to Leyburn in March of 2022.

For over 100 years, the annual Tournament Festival of Music and Speech has sought to promote the study, performance and appreciation of music and prose, and has afforded competitors the opportunity of having their performance marked by professional adjudicators. For generations, it has brought together young and old from all over the community, and has given us all the chance to hear our local choirs and orchestras at their best, as well as numerous, wonderful, solo performers. Over 100 classes, ranging from prose and poetry readings, instrumental music, and songs, both solo and in groups, means that there is something for everyone, either as a competitor or a supporter.

The 2022 syllabus and entry forms can be found at Hewson's in Leyburn, on our website at www.wensleydaletos.co.uk, or from the Secretary via email: secretary.wts@outlook.com.

Throughout the pandemic, the community spirit of the Dales has shone through, and we sincerely hope the same spirit will help us to give you all a Festival to remember. New entrants can be assured of a warm and welcoming reception by the Wensleydale audience, as well as a sympathetic assessment and encouragement from our experienced adjudicators.

We look forward to meeting old friends, and making new ones; and to keeping this traditional, and much loved event going for many more years to come.

Liberia News

Simon and Grace Stretton-Downes

Simon is a dentist leading a team at a clinic at the Eternal Love Winning All (ELWA) Hospital in Monrovia. Grace is a nurse and will support Simon as well as seeking God's direction for her role in the mission field. The couple are sent by St Gregory's Church, Crakehall and are working for Serving In Mission (SIM).

Rosemary Gaven is our local contact and keeps us updated with the news they send. Simon says trusting that God is in control, it is very disappointing not to have had any response from Nairobi regarding application to Dental School as yet.

Academic dentist Professor Rob has booked his ticket to go to Liberia on 3rd December from Plymouth to help work through the plans for the Therapist School - there are lots of things to sort out before his visit - Simon talking with the Ministry of Health and Liberian Medical and Dental Council.

It is hoped that Eddie will be starting his 3rd year at Nairobi Dental Clinic soon.

Grace is enjoying grandparenting duties in Johannesburg and it seems Nathan is proving delightful.

Your prayers are always needed and very much appreciated and Simon and Grace give you thanks for remembering them.

And Finally

From Rev'd Chris

On St Luke's day, we held our first service to include the laying on of hands since the Covid-19 restriction into place. Although we were low in numbers, I felt that it was good to once again return to this important and was very much appreciated by those who came. During the service, we gave thanks for the work of Cornerstone team and formally brought that ministry to a close. I recognise that it is hard to let go of what is precious, but with team members moving and some not able to commit in the same way it was decided that this season had come to an end. I hope that next year we will be able to train some members of the congregation to lay pastoral visitors, a new initiative from our Diocese, and once that is in place to once again revisit Cornerstone something similar.

I realise that for some who read this PewNews Cornerstone may be an unfamiliar name so I am grateful to Penny who has provided the following background and history of the project. Thank you, Penny

'It began in 2010 with a growing awareness of people in our community who are alone at Xmas or living with a dependent relative i.e. dementia or where there are difficulties within a family. The Christmas Day lunch – a traditional meal with roast turkey & all the trimmings, plenty of wine, homemade Xmas pudding with custard & butter & ice cream. Crackers etc., & a visit from Santa with his sack of gifts!!! It was held first in Newton-Wharfe & later in Hackforth Village Hall & ran for about 6 years. It provided a good opportunity to reach out to the wider community & to connect with others, many of whom were not part of the church. This was not about the church 'doing for' whoever might come, but more about us 'sharing' our Christmas with others. Around 18-20 came each year including volunteers. Many in the community helped in a practical way & also generously donated to this project. Malcolm Tempest gave several bottles of Cava & a crate of red & white wine every year. A local farmer, who wished to remain anonymous, donated two turkeys every year.

The Xmas Lunch then became part of Cornerstone, set up in 2011 & its aim was to develop a pastoral ministry that provided practical, emotional & spiritual support to church members & the surrounding communities. This included providing transport, visiting the housebound, providing a listening ear & befriending, offering temporary practical support e.g. ironing, dog walking etc., etc.

There were also Bereavement cards – again a gesture of connection & support with the bereaved in our community. A policy was set up, which covered such things as confidentiality, boundaries, DBS checks & a booklet was commissioned at a combined service in Spennithorne.

The core team/leadership was made up of those who had done in-depth training in listening, who had an understanding of bereavement (amongst other things) & with experience of being involved with chaplaincy.

ministry, counselling, nursing or something similar.

Cornerstone also provided a cream tea in the summer months which was held at the Ryders home in Ne Willows.'

So once again I would like to thank all who gave of their time and resources so generously and I ask for prayers as we discern together what shape pastoral ministry might take in our parishes in the future.
