PhoneChurch is working well, but please remember it is live and unless you mute the microphone on your phone everyone can hear anything that is happening at your end of the line. We are still learning how to best use this system and whilst responses during the service are working well, communal singing is causing problems - so for the moment please just listen to the music as it plays rather than singing along.

For the liturgy/service booklet please follow the link for the relevant service.

As above to join in simply call 03300 945 940
then at the prompt Room number: 55017514 #

Week 1 - 19-15 November

Loving God,
at this time of crisis
when so many are suffering,
we pray for our nation and our world.
Give our leaders wisdom,
our Health Service strength,
our people hope.
Lead us through these parched and difficult days
to the fresh springs of joy and comfort
that we find in Jesus Christ our Lord.
Amen.

Week 2 - 16-22 November

Loving Father God,
be with us in our distress;
be with our families, friends, and neighbours,
our country and our world.
Give health to the sick,
hope to the fearful,
and comfort to mourners.
Give wisdom to our frontline and key workers,
insight to our Government,
and patience to us all.
Overcome disease with the power of your new life,
through your Son, Jesus Christ our Lord.
Amen.

Come and join us on Zoom for a time of Lectio Divina

Friday afternoons at 16:00

Lectio Divina is a contemplative way of reading the Bible. It dates back to the early centuries of the Christian Church and is a way of praying the scriptures that leads us further into God's word. It is listening with the 'ear' of the heart that allows scripture to speak to us in new ways while also deepening our relationship with the Living

Barry St George Austin Reed CBE, MC, DC. An Appreciation

By Myra Shield

It was with great sadness that we received the news of the death of Barry Reed.

Barry was a well-loved and respected member of our village of Crakehall and the church family of St. Gregory.

He worked tirelessly for the upkeep of the Church and served for many years as churchwarden when he oversaw the modernisation of the church furniture. Barry and Mike hosted many and varied fundraising events at Crakehall House, which will be remembered for a long time.

Liberia News

Simon and Grace Stretton-Downes

Simon is a dentist leading a team at a clinic at the Eternal Love Winning All (ELWA) Hospital in Monrovia. Grace is a nurse and will support Simon as well as seeking God's direction for her role in the mission field. The couple are sent by St Gregory's Church, Crakehall and are working for Serving In Mission (SIM)

Rosemary Gaven is our local contact and keeps us update with the news they send. Simon has not been well and was off work last Thursday and Friday on antibiotics and was back to work on Monday. Angie started work as the new Clinic Administrator on Tuesday. Eddie still does not have any results of his examinations as apparently there has been a teacher's strike which is delaying things. While he was off sick Simon put together on a slide presentation for the Christian Dental Fellowship Conference which will be online next Saturday. Other than that he said they are just plodding along as it is extremely hot there and they are usually sitting rather damply in their clothes as it is so sweaty and humid. They are surviving but sadly any prospects of coming to the UK seems to be getting smaller and smaller although there is a thought in their minds that South Africa might be a possibility. However, they are not going to book anything for a few weeks yet as everything changes so quickly and they don't want to cancel yet more flights.

Grace tells me from her side that she has been doing bits and pieces at the hospital. She hasn't seen so much of the ladies last week but she has been getting things ready for the launch of the new nursing regime. The nurses have identified 4 areas that they are going to really improve on and those are going to be audited. They have six new supervisors and Grace together with them and the nursing hierarchy had a discussion on Monday

have on her experience and Grace, together with them and the nursing ministry, has a succession of money, and now they will be rolling out some teaching and then the supervisors will hopefully roll out that teaching to the nurses on the wards. This will improve the way things are documented, the care that is given, the responsibility of the nurses and what they should be doing rather than not doing those things. The things Grace has been auditing are the things they are now going to be tightening up on and she will continue to keep monitoring these improvements.

Grace and Simon had some hospitality last week. They have had 2 lots of people over including a new couple with a little girl. He is a doctor and she is a nurse practitioner and they seem a delightful American couple. They also had their South African friends over as well. Grace has also done a bit of sewing for the dental clinic - things that needed mending and alterations. And of course the housework in the heat keeping the place neat and tidy!

Today - Wednesday - they said it is 33 degrees and the humidity is 98% making it feel like 39 degrees. Hot! There has been little or no water for the last 4 days and at 11 this morning, the electricity went off. They had some more hospitality on Monday evening and their friends leave for USA to-night. Grace says she thinks they

are OK but the power and water situation is very draining. They are having the Dental team over for food and games on Friday which will be good fun at least! They are grateful and give thanks for our prayers as always.

Lisle's Limericks

Rev'd Lisle has offered us the following two reflections on the Gospel readings for the next two weeks

There were five bridesmaids who were prudent
with lamps prepared having sufficient
 spare oil at the ready
 for lights to be steady.
The groom turned up late but was jubilant.

The other five bridesmaids were foolish.
Without oil their lamps to replenish,
 they asked for some more
 from the five at the door,
who said 'No!' and left them in anguish.
Matthew 25.1-13

and

A master preparing to go away
gathered his servants avoiding delay.
 Though it might have seemed rash
 he gave each of them cash.
Making profit to keep would be okay.

The one with the most then doubled his cash
while the one with the least did bury his stash.
 It had nothing to earn
 for the master's return
when he showed him how safe was the cache.

The master back home from his journey
praised the one who'd doubled his money

praised the one who'd doubled his money.

From the one with the least
who felt himself fleeced
he took what he'd hid without mercy.

To the one with the most he then gave it
to earn even more of a profit.

For through risking to lose
he was making good use
of the talent with which he'd been gifted.

Matthew 25.14-30

And Finally

From Rev'd Chris

Remembrance Sunday - We are planning to hold a short service of remembrance on Sunday 8th November

gathering at 10:45 at Spennithorne, Patrick Brompton, & Crakehall. The service will be much shorter than in previous years and will take place at the memorial.

Please see the [current legislation](#) for full details. This advice states -

Event organisers should keep numbers of those participating in the event to a minimum. For the avoidance of doubt, the following people are legally permitted to attend events to commemorate Remembrance Sunday as participants. Attendees should observe social distancing at all times. Attendees should also take advantage of opportunities for wreath layers to represent wider groups.

- people attending as part of their work (such as local councillors, local faith leaders, the local MP)
- people attending in a voluntary capacity on behalf of a recognised organisation
- members of the armed forces
- veterans of the armed forces, and/or their representatives or carers
- Members of the public are legally permitted to stop and watch the event as spectators, but event organisers should take reasonable steps to discourage the public from attending events, and be mindful of the risk that such events pose, especially to veterans who are often elderly.

Where members of the public do attend, they must only attend the event with their own household or those in their support bubble, or one other person (children under school age, as well as those dependent on round-the-clock care, such as those with severe disabilities, who are with their parents will not count towards the limit on 2 people meeting outside) and observe social distancing rules.

Please can I ask everyone to respect these regulations and remember that Sue will be leading a [PhoneChurch](#) service at the same time. If you wish to place crosses or wreaths please do so after the service has finished.
