PhoneChurch is working well, but please remember it is live and unless you mute the microphone on yc everyone can hear anything that is happening at your end of the line. We are still learning how to best i system and whilst responses during the service are working well, communal singing is causing problem the moment please just listen to the music as it plays rather than singing along.

For the liturgy/service booklet please follow the link for the relevant service.

As above to join in simply call 03300 945 940

With the introduction of 'Plan B'

Our approach here in Lower Wensleydale for the moment is

Masks are required when inside the building except when leading or singing a part of a choir.

Spacing out by using alternate pews is a simple way to help others.

The Peace will continue to be shared from where we sit or stand.

Communion also continues in the same format as we have used during the restrictions with the Priest l the consecrated wafers to the congregation.

Hospitality at the end of services will continue where possible.

Test & Trace continues in line with best practice advice.

Ice - Snow - Wind - Flood!

If we have to cancel a service due to extreme weather a notice will be put up on the Church if possible.
 We will also change the message on the Benefice phone line.

Come and join us on Zoom for a time of Lectio Divina

Tuesday afternoons at 16:00

Lectio Divina is a contemplative way of reading the Bible. It dates back to the early centuries of the Christian Church and is a way of praying the scriptures that leads us further into God's word. It is listening with the heart that allows scripture to speak to us in new ways while also deepening our relationship with the God.

No Oasis - Please!

From Lisle Ryder, St Patrick's Environment Representative.

In the light of banning by the Royal Horticultural Society at its shows, please would those arranging flower use floral foam usually sold as Oasis. Through its use of microplastics, it causes serious pollution to the environment. Disposal of remains should not be added to compost, and particles should not be allowed down drains. Alternatives include glass beads or chicken wire crunched into a vase.

For more info please see this article - <https://www.churchtimes.co.uk/articles/2021/24-september/news/uk/bishop/campaign-for-more-sustainable-approach-to-flower-arranging>

Christmas Card Tree

The Christmas Card Tree will once again be out next week in St Gregory's Church, ready for you to put on to your church family instead of individual cards. The money you save may be dropped into the post charity.

There is a similar idea in St Patrick's Church, where you will find a large card for everyone to sign to the

family. There will be a collection box for donations.

This year we are supporting [Friends of Mettupalayam](#) that is a charity that provides poverty relief and rural development in and around the village of Mettupalayam in Tamil Nadu, South India. It has been supporting work for over 30 years, having been started by two local primary school teachers to support an Action Aid project. When Action Aid withdrew support they started to fully fund all the project's work.

Currently, they finance two primary schools, the Crakehall Primary School, Mettupalayam and the Namk Primary School Pazanadukuppam; providing education for around 150 children, together with a balanced meal and much more.

At one stage over the last 18 difficult months, they were providing weekly food parcels, for 1250 needy people.

There will be much more information about [Friends of Mettupalayam](#) to be found in both churches.

Thank you for your support

Liberia News

Simon and Grace Stretton-Downes

Simon is a dentist leading a team at a clinic at the Eternal Love Winning All (ELWA) Hospital in Monrovia. Grace is a nurse and will support Simon as well as seeking God's direction for her role in the mission field. They were sent by St Gregory's Church, Crakehall and are working for Serving In Mission (SIM)

Rosemary Gaven is our local contact and keeps us updated with the news they send. The latest news from Simon and Grace is that they have had many power outages in recent weeks with power and water going out for unplanned times day and night, often for a few hours at a time. They are currently at the warmer time of year when heat and humidity are at their highest. This can drain their enthusiasm!

Due to the Covid-19, Omicron variant, flights to South Africa are currently suspended and assuming there is currently a compulsory week's quarantine on returning to Liberia at a government facility. While they appreciate that there are many people facing much worse situations, they feel frustrated and upset.

Professor Rob Witton from Plymouth University will be with them as he arrived on Friday 3rd December. It will be a busy time as they discuss the new Dental School and meet with the Health Minister and others concerning this new project. They are hoping that there will be harmony and agreement between all the concerned.

Grace has had several meetings in the last few weeks as part of the search team for their new SIM Liberia Director. Simon has been part of the team deciding and interviewing people for the new Hospital Board for the last 6 months and both consider it a privilege and responsibility to be asked to be part of these important discussions.

There is still no word on Wannie and they are still waiting to pay for and ship the panoramic X-ray unit. Keep the faith and hope in God and thank you to those who pray for them.

And Finally

From Rev'd Chris

To Mask or not to Mask - That is the question

Once again we have updated guidance from Downing Street and whilst that is clear for most situations it

churches and more specifically incumbents (on whom solely the local decision rests) with difficult decisions to make.

I have read and re-read the government regulations and the Church of England guidance and feel that we try as best we can to live up to the intention or 'spirit' of Plan B. Therefore, I am asking that like in shops and public spaces Masks are worn whilst attending church. The person leading the service and Choir members unmask to lead worship but will continue to mask at other times.

For the best part of the last two years, we have become used to changes in the way that we live and interact with one another. I was an early adopter of masking in public and I remember vividly the odd looks that I received when walking around Bedale whilst doing my shopping. I have noticed too how the church is both ridiculed for introducing restrictions and pilloried when we don't. The poet John Lydgate is quoted as saying *"You cannot please some of the people all of the time, you can please all of the people some of the time, but you can't please all of the people all of the time"* For some the closure of the churches will always be a black mark against us for a long time. It will be the reintroduction of masks, for yet others, it will be that we are open at all! It would be tempting to say we can not win, except this is not a race or a game, winning was never an option. We are, in this case, I suspect, trying the best I can with the information I have to proclaim God's Good News to as many people as possible. My hope, my prayer on the eve of

Gaudete Sunday is that you rejoice - wherever you are - however you can as we prepare for the most wonderful gift ever - God With Us
