PARISH COUNCIL NEWS

The old dog poo bin and post on Pastures Green have been removed please be aware the new bin is for dog poo and rubbish.

We hope everyone is keeping warm during this and past spell of cold weather please remember to keep an eye on any vulnerable neighbours you may have.

The Christmas tree and lights were much appreciated by the village and we would like to thank the Community Events Committee for their contribution.

North Yorkshire is now aware of the old well that has opened up opposite the pub and tell us they are taking steps to fill it but we don't know when this will happen.

> Due to the high volume of rain the last few weeks it appears the drains in Hackforth Road have started to be overloaded the authorities have been made aware of this by Councillor Shepherd.

On the subject of the amount of rain in the past few weeks, the Village Green has become quite waterlogged. We would ask residents when parking on the green to take extra care as quite a lot of damage to the green can and has taken place when cars get stuck on the green.

On a final note, we would like to thank our Clerk Bethan Jones for all her work and support to the Parish Council. She will be leaving her post at the end of March, and we wish her all the best. News of her successor will be given in due course.

**Date of next meeting:
Wednesday
11th March 2026
7.00 pm**

Chair	Derek Stratton
Vice Chair	Nick Delaney
Councillors	Grahame Shepherd Brian Whitehead Barrie Whitfield
