

Patrick Brompton Parish Council News

The Parish Council is drawing up a village Emergency Response Plan which identifies actions which can come into place should there be a need to respond to serious disastrous events. This may require evacuation of home owners from their dwellings.

The Parish Council would wish to provide appropriate support to those villagers who feel vulnerable or have mobility issues. The central muster point, with agreement from Rev. Lawton, will be St. Patrick's Church. We would be grateful if you could, in confidence, contact Cllr. Derek Stratton Tel. 01677 450343 or 07922035418 to allow us to help you.

Thankyou

The Newton Le Willows and Patrick Brompton Village Hall, situated in Newton Le Willows is run by a number of trustees.
